Woodlawn Arts Academy Financial Assistance Renewal Application

Frequently Asked Questions

Does financial assistance cover the entire tuition for classes?

No. Woodlawn Arts Academy believes a strong sense of ownership and pride is developed when the recipient of financial assistance contributes to the cost of the program. Therefore, applicants will be asked to pay a portion of the fee for the requested services.

If I receive Woodlawn Arts Academy financial assistance, what is expected of me?

Regular attendance to any registered lesson or class is required. Financial assistance may be revoked or denied to anyone not regularly attending. Upon approval of assistance, an Academy representative mails verification and conditions of the assistance to you. Those conditions include the length of your assistance and the portion you will be asked to pay. We will keep the application on file for 60 days from the date of the application to allow for its completion. If you do not sign up for a program within these sixty days, you will need to reapply. It is the responsibility of the customer to monitor individual funds used.

How long will the financial assistance continue?

Financial assistance is usually good for one year. If there are special circumstances the assistance may only be applicable for three to six months. All participants must re-apply when the financial assistance expires.

Nondiscriminatory Policy

Woodlawn Arts Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, or athletic and other school-administered programs.
